**The resolution is attached and will be returned to the Cheboygan Area Schools.**

**A discussion was offered by Bill Morgan on the gypsy moth situation. The supplier who does the spraying would need an estimated count as to the amount of acres involved. It was decided that the township should advertise in both the Cheboygan Daily Tribune and the Straitsland Resorter with an ad asking people to sign up for the spraying.**

**The Topinabee Development Association was in attendance and a discussion ensued as to the projects which would enhanced the Topinabee Area. It was decided the beach area is in need of sand and would be a top priority with a possible meeting with Fleis and Vandenbrink to come up with a final engineering plan for the beach area so the township could go out for bids for the renovation.**

**John Brown made a motion to have Architect Forum take a look at the Township Hall with the idea of updating and also Fleis and Vandenbrink**

**to proceed with final plans for the beach area. Seconded by Dennis Dombroski.**

**Meeting adjourned,**
