Bobbi Balazovic made a motion, supported by Mike Durkin, to approve the Meeting Minutes from the March 2, 2026 meeting as presented. Motion passed.

Denise Cline and Heather Runyon from NEMCOG facilitated a discussion primarily focused around Land Use provisions in the Master Plan, and the difference between that and Blight Ordinances, and Zoning Enforcement. The Master Plan can specify certain elements of Land Use such as dwelling sizes and lot sizes but will defer to the county for enforcement.

Denise and Heather also made the Commission members aware that Cheboygan County is currently starting development of their Master Plan which will include a Recreation Plan. That Recreation Plan is intended to include the plans from each Township. This is good news since it could make available DNR funding for each township.
